

Survival Camp

This will be a real challenge! An overnight survival course for serious-minded children. Can you fulfil the requirements of the Scout Survival Skills Badge? You'll need to be able to sleep in an improvised shelter, to purify water, to identify wild foods, to cook all your meals on an open fire, to know your survival priorities and much more.

10am Wed 23rd to 1pm Thurs 24th July

£80 per child (all food included) - 12 children only

Suitable for children aged 9 and above

The 'Swampy Woods' are quite simply one of the most fantastic locations going. Seven acres of private woodland: a majestic beech clearing suddenly ends in a steep escarpment down to a swampy 'river'; cross the swamp and one is in acres of ferny thicket with the feel of primary jungle. Awash with hollows and nooks, this location is the stuff of childhood

"I don't mean to be rude or anything, but this is WAY better than I had expected. It's brilliant! I've done loads of survival courses, but this is by far the best"

"Bear Dog Outdoor are like no-one else; they take outdoor activities to the next level"
