Fox Covert is a new venue for Bear Dog. It's a beautiful, privately-owned wood right in the middle of Woodcote. Fox Covert has something of everything—deep dark, cypress thickets with hidden dells and a thick carpet of fallen needles; light and airy birch clearings; hazel coppice; tall and jungly bracken it's a bushcraft paradise.

"Thank you! It is a huge honour to be a little part of your grand events and to see the enormous pleasure and experience of so many children"

"A HUGE thank you for making the day so amazing. He had a complete ball and came home beaming from ear to ear. His first question was "when can I go again Mummy?" so please let me know when the next courses are; he'll be there! He loved every moment. What a great concept and brilliantly executed - well done!"
