

## BFG Adventure

Go on a magical adventure with the BFG. Catch dreams and mix scrumdiddlyumptious frobscottle, hopefully with only pibbling whizzpoppers. Avoid being flushbunkled by frightsome chiddler-scoffing giants, and maybe even eat rotsome snozzcumpers.

The 'Bear Dog Woods' are a beautiful mixture of towering mature beech, light and airy larch and dense holly thickets. A series of hidden glades are connected by secret paths and 'tunnels', creating a magical feeling of 'rooms', each with a different character. It's a wood which has been specifically managed to create a venue for exciting childhood adventures.

"Thank you! It is a huge honour to be a little part of your grand events and to see the enormous pleasure and experience of so many children"

"A HUGE thank you for making the day so amazing. He had a complete ball and came home beaming from ear to ear. His first question was "when can I go again Mummy?" so please let me know when the next courses are; he'll be there! He loved every moment. What a great concept and brilliantly executed - well done!"
