

Bear Dog Down-Under Adventure

G'day! Go on a light-hearted adventure in the Australian outback, but without the jet-lag. Set up camp; make a bullroarer to take home; find the Rainbow Snake, but do watch out for the fearsome Bunyip. Great fun - Bear Doggers wouldn't give a Castlemaine XXXX for anything else!

11th and 13th July

10am to 3pm

£35 per child (lunch included) Ideal for children in Yrs 1-4

The 'Bear Dog Woods' are a beautiful mixture of towering mature beech, light and airy larch and dense holly thickets. A series of hidden glades are connected by secret paths and 'tunnels', creating a magical feeling of 'rooms', each with a different character. It's a wood which has been specifically managed to create a venue for exciting childhood adventures.

"Thank you! It is a huge honour to be a little part of your grand events and to see the enormous pleasure and experience of so many children"

"A HUGE thank you for making the day so amazing. He had a complete ball and came home beaming from ear to ear. His first question was "when can I go again Mummy?" so please let me know when the next courses are; he'll be there! He loved every moment. What a great concept and brilliantly executed - well done!"
