

Junior Woodland Adventure

Spend a day having fun in the woods. Build a shelter, light a fire, cook your lunch and then follow a secret trail through the woods, meeting challenges as you go. Perhaps you'll find treasure, or even a monster to defeat. Who knows?

11th and 15th July 10am to 3pm

£35 per child (lunch included) Ideal for children in Yrs 1-4

The 'Bear Dog Woods' are a beautiful mixture of towering mature beech, light and airy larch and dense holly thickets. A series of hidden glades are connected by secret paths and 'tunnels', creating a magical feeling of 'rooms', each with a different character. It's a wood which has been specifically managed to create a venue for exciting childhood adventures.

"Thank you! It is a huge honour to be a little part of your grand events and to see the enormous pleasure and experience of so many children"

"I don't know what you did to or with Olivia on Wednesday last week but she had the most amazing time. 'Mummy, please can I do that again?' I don't care if none of my friends are there, I just have to go again!'. I very much look forward to hearing from you, if only to make a small girl very, very happy!"
