

Space Adventure

Major Tim is due to return to Earth on 5th June, but there is still plenty of time for adventures in space before then. Who knows, he may meet all kinds of space travellers. Fly to the moon; navigate around the solar system; perhaps defeat Klingons on the starboard bow. Doubtless we'll need some dilithium crystals. "She canna take any more Captain!"

31st May, 1st & 3rd June 10am to 3pm

£35 per child (lunch included) Ideal for children in Yrs 1-4

The 'Bear Dog Woods' are a beautiful mixture of towering mature beech, light and airy larch and dense holly thickets. A series of hidden glades are connected by secret paths and 'tunnels', creating a magical feeling of 'rooms', each with a different character. It's a wood which has been specifically managed to create a venue for exciting childhood adventures.

"Thank you! It is a huge honour to be a little part of your grand events and to see the enormous pleasure and experience of so many children"

"A HUGE thank you for making the day so amazing. He had a complete ball and came home beaming from ear to ear. His first question was "when can I go again Mummy?" so please let me know when the next courses are; he'll be there! He loved every moment. What a great concept and brilliantly executed - well done!"
