The 'Swampy Woods' are quite simply one of the most fantastic locations going. Seven acres of private woodland: a majestic beech clearing suddenly ends in a steep escarpment down to a swampy 'river'; cross the swamp and one is in acres of ferny thicket with the feel of primary jungle. Awash with hollows and nooks, this location is the stuff of childhood dreams.

"Thank you! It is a huge honour to be a little part of your grand events and to see the enormous pleasure and experience of so many children"

"A HUGE thank you for making the day so amazing. He had a complete ball and came home beaming from ear to ear. His first question was "when can I go again Mummy?" so please let me know when the next courses are; he'll be there! He loved every moment. What a great concept and brilliantly executed - well done!"
