

## Maharajah Adventure

The local maharajah is the absolute ruler of his kingdom, but he's generous to those who serve him well. Can you help him hunt tigers; to retrieve stolen treasures and to furnish his palace? Can you cook him an Indian banquet? If so he will reward you with riches beyond your wildest dreams and, quite possibly, jewels to take home.

Great Chalk Wood is a remarkable venue for a childhood adventure, one which will be remembered for years to come—100 acres of eerie towering spruce deaden both sound and wind; a bright valley of silver birch and beech fires the imagination with thoughts of magic; thickets of hazel support an abundance of wildlife

"Thank you! It is a huge honour to be a little part of your grand events and to see the enormous pleasure and experience of so many children"

"A HUGE thank you for making the day so amazing. He had a complete ball and came home beaming from ear to ear. His first question was "when can I go again Mummy?" so please let me know when the next courses are; he'll be there! He loved every moment. What a great concept and brilliantly executed - well done!"
