

## Minions Adventure

**Small, fun, irrepressible, born to serve an evil master hell-bent on world domination... Who knows what they will get up to? They could attempt to steal the Moon or the Crown Jewels, or perhaps, this time, they may stop their Tyrannosaurus Rex from plunging to his death. BELLO!**

**21<sup>st</sup> March, 6<sup>th</sup> & 7<sup>th</sup> April 10am to 3pm**

**£35 per child (lunch included) Suitable for children in Yrs 1-4**

**The 'Bear Dog Woods' are a beautiful mixture of towering mature beech, light and airy larch and dense holly thickets. A series of hidden glades are connected by secret paths and 'tunnels', creating a magical feeling of 'rooms', each with a different character. The adjoining landowner has given us access to their land, giving us 20 acres in which to roam and play.**

**"Thank you! It is a huge honour to be a little part of your grand events and to see the enormous pleasure and experience of so many children"**

**"A HUGE thank you for making the day so amazing. He had a complete ball and came home beaming from ear to ear. His first question was "when can I go again Mummy?" so please let me know when the next courses are; he'll be there! He loved every moment. What a great concept and brilliantly executed - well done!"**
