Great Chalk Wood is a remarkable venue for a childhood adventure, one which will be remembered for years to come—100 acres of eerie towering spruce deaden both sound and wind; a bright valley of silver birch and beech fires the imagination with thoughts of magic; thickets of hazel support an abundance of wildlife

"Thank you! It is a huge honour to be a little part of your grand events and to see the enormous pleasure and experience of so many children"

"A HUGE thank you for making the day so amazing. He had a complete ball and came home beaming from ear to ear. His first question was "when can I go again Mummy?" so please let me know when the next courses are; he'll be there! He loved every moment. What a great concept and brilliantly executed - well done!"
